the 1990s, the number of people with a mental health problem has increased by 50% (Mental Health Act 1983, 1990, 1993, 1996, 1999, 2003, 2006, 2009, 2012, 2014, 2017, 2019, 2020).

There is a growing recognition that the current approach to mental health care is not working. The current approach is based on a medical model of mental health, which views mental health problems as a result of a chemical imbalance in the brain. This model has led to a focus on medication and hospitalization, which has resulted in a high level of institutionalization and a high level of risk for people with mental health problems. There is a need for a new approach to mental health care, one that is based on a social model of mental health, which views mental health problems as a result of social factors such as poverty, discrimination, and isolation. This new approach would focus on prevention and early intervention, and would aim to reduce the need for hospitalization and medication.

AS YOU LIKE IT

From our freshman year to our senior year we have expectations of what we want our lives to turn out to be. We are striving individually and in groups to make all we do the best it can possibly be. Everything we do here at GCHS is usually an attempt to reach our goals, whether academically, socially, or physically. From all of these things, good and bad, we will make memories that will last a lifetime. With this book, we will share the memories of an eventful and important year. As we look back on our high school years we will always be able to say "The more you look, the more you like!"

A WEEK OF FUN

October 19th marked the first day of the 1987 Granite Homecoming week. This week was packed with many activities. These activities were: Pajama/Toga Day, Spuds/Beach Bum Day, K-SHE shirt/College shirt Day, Halloween Costume Day, and School Spirit Day. There were many students who chose to join in on these activities, and these kids had a great deal of fun.

The past season for the varsity softball team was a very rewarding and successful one. The Warriors finished first place in the Granite City Invitational Tournament with victories over Madison and Woodriver. In the very tough Southwestern Conference the Warriors finished third behind Belleville West and Belleville East. At one point in the season the girls won six consecutive games, while finishing the regular season with a record of 12 wins and 12 losses. Awards for the Most Valuable Player were shared between Kim Corey and Keri Holtkamp, who were both four year varsity letter winners. Most Improved Player award went to Amber Marsh, and Tracey Gaudette received the Hustle Award.

1987

The J.V. soccer team was once again very successful this year. They went undefeated for the second year in a row. Only one goal was scored against the lady Warriors during the course of the season.

Top scorers for the season were: Jennifer Debevc, Chris Kasproovich, Carrie Ross, and Cheryl Stacey.

Alice Loftus did an excellent job as goalie.

1987-88 Boys' Sports

BASEBALL

The 1987 Baseball Warriors did very well in 87. They set 24 school records for a team, and won three out of the four tournaments in which they played. Their overall season record was twenty-nine wins and only ten losses.

FOOTBALL

It wasn't the same this year as in the 1986 season, as the 1987 football team lacked the skill and talent to be a winning team. The Warriors will have thirteen returning Varsity Lettermen, so watch out East-Side, here we come again!

GOLF

The Golf team of 1987 was a very promising one. They had a season record of eighteen wins and only four losses. Trtanj and Wilkinson set a new school record of ten under par in the Granite City Scramble. GOOD JOB WARRIORS!!

TRACK AND CROSS COUNTRY

The 1987 Track Team and the 87 Cross-Country Team, were very young teams. "We were young, but hopefully that means we will do good in the future," said Coach McClain. Both teams should be fun to watch in years to come.

SOCCER

As you have already read, the Soccer Warriors won yet another state title in 1987. Coach Baker once again produced that winning drive that is needed to be a winning team. Lets see if they can do it again next year!

BASKETBALL

The 1987 basketball team was having a disappointing season, when the Yearbook went to press. Sophomore Matt Cook was leading the Southwestern Conference with three-point shots. A lot of underclassmen got a chance to play at the Varsity level. "Maybe next year."

WRESTLING

The Yearbook goes to press before the wrestling season is over, but the team was finishing the season with a record of fifteen wins, nine losses and one tie. Junior, Bret Davis, was the only Warrior to go into postseason action. Bret had a season record of thirty-seven wins with only three losses going in the State Tournament. GOOD LUCK!!!

SUPER SEASON

The Granite City Warrior Tennis Team had a season record of 5 wins and 8 losses. The record may not seem very impressive but the tennis team had some very good players. A STRONGER SEASON!

The 1987 Track season showed a stronger Granite City team than in previous seasons. Granite was most competitive in the failed events. Vince Darnell had a good season in the high jump, almost qualifying for the State meet. The shot-put event was led by senior, Bret Bjorkman and sophomore, Rich Dawes. The sophomores led the way in the discus with Rich Dawes, George Thomas and Dan Grayson. All three earned their varsity letter. The long jump and triple jump were handled by Mike Fea, Kevin Sutphin, and Dave Bassoo. Sprinters, Terry Biggs, Dave Bassoo, and Tim and Terry Noud, ran the 400 and 800 relays. The JV track team placed very well in all their meets. If that was any indication, then the Warrior Track Team, in the future, should be very impressive!!!

GOOD JOB WARRIORS!!!!!!!

GRANITE WINS STATE IN SOCCER!

1 • 9 • 8 • 7 CHAMPIONS

"THEY DID IT AGAIN!!"

Once again the Granite City Soccer Team made the long trip to the State Soccer Tournament and once again they came home winners! The 87 Soccer Warriors compiled twenty wins this season, with only three losses and two ties. The Warriors finished first in the Southwestern Conference Competition. They also entered the State Tournament Record Book in two corner kick categories. The 1987 season was another outstanding year for the Warriors. To Coaches Baker, Bunting, Ames, and all the Warrior soccer players, congratulations on your seventh state title in twelve years, and good luck in the future.

NOTE: Coach Baker will assume additional responsibility this year; he will be taking over the Lady Warrior Soccer Team in the spring.

The 1987-88 Granite City High School Golf Team had a great season with eighteen wins and only four losses. "I am very proud of these young men," said Coach Chappell. "We started the season with thirty people and ended the season with twenty-six." Derek Trtanj was voted to the ALL Area First Team and All Conference First Team, also. Mike Wilkinson and Chad Lane were voted to the Second Team All Conference. Mike Wilkinson and Derek Trtanj were voted the Most Valuable Players, and Chad Lane was voted the Most Improved Player. "The Football Team of '87 was a very gutsy, courageous group of young men, but lacked the skill and talent to be a winning team. We started with thirty seniors and ended with twenty-five. I tip my hat to those seniors who "stuck it out," said Coach Yates. "The Prognosis for the squad of 88 is optimistic. We have nine juniors and four sophomores that lettered and are coming back to wear the helmet of the Warriors. If everyone works hard in the off-season, we should be competitive and fun to watch next year."

A WORD FROM COACH BAKER:

Please accept my personal thanks for all of your efforts this year. Indeed, it took so many and so much to achieve what you have. What you have, is not just an Illinois State Championship! Moreover, you now possess an arsenal of traits that make you better equipped for your bright future. These traits include: Confidence, fortitude, flexibility, dedication, loyalty, and integrity. Conversely, you have learned to respect the dignity of others.

Gentlemen, most people do not realize the obstacles that you must overcome in order to sustain a season such as "SOCCER '87." High school athletes traditionally face problems that involve physical pain, eligibility and peer pressure. However, as you know, playing soccer for Granite City Senior High School connotes pressure. That pressure is at once social, academic, athletic, mental, traditional, parental, and yes, personal. That opponent, pressure, can be destructive. Yet, again, you won't "You," refers to that player who I said "We" would become.

I want all of you to know that your hard work, trusting attitude and friendship are treasured by your coach. Only the best is wished for you.

Kurt Atkinson:
"After Herb scored, and everyone ran out on the field to congratulate us."

Bret Broadwater:
"When Herb scored the winning goal in 'sudden death' to give us the State Title!"

Jim Burkhart:
"To see that winning goal hit the back of the net and realize we were the STATE CHAMPS!"

Randy Chapman:
After Herb's goal, Kurt Atkinson yelled from under the bottom of the victory pile, "get off me!"

SENIORS RECALL MOST MEMORABLE MOMENT

Thad Foreman:
"NO comment."

Jeff Grote:
"When Herb scored the winning goal, and the enormous reception we got coming back to Granite."

Herb Heaton:
"Scoring the winning goal in 'sudden death' overtime for the State Title!"

Matt Krekovich:
"Shutting out two teams out of three in the State Tournament. Allowed only one goal in the State Tournament."

Mike Lane:
"Scoring the tying goal with eight minutes left in the Regional Semifinal and watching HERB score the winning goal at the State Final."

Kirk Mills:
"Watching HERB collect all his most important points!"

Ricky Pyle:
"Seeing Coach Baker slip and fall during practice."

Mike Sellar:
"Scoring two goals against Parkway North and running five killers!"

SENIOR COMMENTS

Jason Sharp:
"When Herb shot, and I could see that it was out of the goalie's reach, and when they gave us the medals."

Derrick Wilkinson:
"Scoring my one and only goal up at state."

Dan Wilson:
"When Herb scored the winning goal in 'sudden death' over-time in the championship game to give us the State Title, and also receiving our medals, which will always be memorable in my life."

AN UNBELIEVABLE SEASON!

The 1987-88 Basketball team started the season with hardly any varsity experience from the preceding year, and this showed as the team was unable to win the close ball games. Only four seniors were on the team, so Coach Deterding was able to play a number of underclassmen. "This inexperience won't be a problem next year. The team was led in scoring and rebounding by Senior Kevin Sanders. Mark Miller played well late in the season. Junior Mike Wilkinson and Korey Burton started, as did sophomores Jon VanBuskirk and Matt Cook."

DEBATE

Granite City's Debate Team started out the year on the right foot with Lincoln Douglas debaters, Bryan Turner, and Melinda Pucker, exhibiting top debating talent. Melinda placed first at Belleville-West, and third place at Illinois State University, while taking first place speaking honors, there. She also was fourth place speaker at Chicago's Rich-East Tournament. Bryan Turner advanced to quarter-finals at both Belleville and I.S.U. Joe Kusmeirczak and Amy Hildebrand have also done well, with Joe advancing to quarter-finals at Rich-East.

On the two man debate scene, things have been exciting, as well. The novice affirmative team of Lisa Neimeyer and Chrissy Krakowiecki, took home a first place trophy at the Rich-East Tournament, with Chrissy placing as fourth speaker. The novice negative team also did well, placing fourth, overall. The varsity twosome of Rich Witt and Steve Friedel have been steadily improving, and took fifth place honors at the Chicago tournament. All of the debaters are now turning their sights toward the State Tournament series with high expectations.

A Last Word

My year as editor-in-chief was very rewarding and memorable to me. I wish to thank my advisor, Mr. Robert Johnson, for all his help during my years on the staff. I would also like to thank my assistant-editor, Jim Williams, for his help. Also, good luck as editor-in-chief of the 88-89 Warrior. Good luck to the new yearbook advisor. SENIORS

Now the time has finally come,
to see just what we've all become.
We came in freshmen, short and small,
now we've learned to stand up tall.
We've all been sad or had romance,
and were taught to prance in Senior
dance.

We've read the books, one and all
and wandered through each lonely hall.
Now we've finally reached the age,
to walk upon that distant stage.
So now at last, we graduate
and leave this school to meet our fate.
To become doctors, lawyers, or even a
star
and the sad part is, We'll travel far.
But no matter where you go, or what
you do

the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million (1990–1999) and is projected to increase by a further 1.5 million by 2010 (Office of National Statistics 2000).

There is a growing awareness of the need to develop strategies to meet the needs of the ageing population. The Department of Health (2000) has published a strategy for ageing, which sets out the government's commitment to improve the health and quality of life of older people. The strategy is based on the following principles:

- Older people should be able to live independently and actively in their own homes.
- Older people should be able to participate in the community and in the life of the country.
- Older people should be able to live in good health and without pain.
- Older people should be able to live in a safe and secure environment.

The strategy also sets out a number of key objectives, including the following:

- To reduce the number of older people who are in poor health and who are dependent on others.
- To improve the health and quality of life of older people.
- To ensure that older people are able to live in their own homes and in the community.
- To ensure that older people are able to participate in the life of the country.

The strategy also sets out a number of key actions, including the following:

- To improve the health and quality of life of older people.
- To ensure that older people are able to live in their own homes and in the community.
- To ensure that older people are able to participate in the life of the country.
- To ensure that older people are able to live in a safe and secure environment.

The strategy also sets out a number of key targets, including the following:
